

INFORMATION ON THE MANAGEMENT OF PERSONAL DATA WITH REGARDS TO CONTRACTS

Dear Client!

UTT Europe Ltd. informs you on the management of personal data recorded in terms of contractual performance.

1. Data controller, individuals with data management authority, data protection officer

The data controller is UTT Europe Ltd. (seat: H-2040 Budaörs, Gyár u. 2.; VAT: 14281701-2-13; reg. no.: 13-09-119506).

UTT Europe Ltd. did not appoint a Data Protection Officer since the company does not conduct data management practices that would otherwise make the appointment necessary. However, as a sign of our commitment to GDPR, we appointed our Data Protection Fellow - see 6 of the recent Information.

2. The legal basis and purpose of data management

The primary legal basis of the data management is the processing of personal data necessary for contractual performance.

The purpose of data management is to identify and distinguish contractors, get in touch with them, prepare statistics, manage orders and purchases, perform contractual obligations from purchases, exercise rights and perform accounting obligations.

Should you not agree to the data management policy of this document, we will not be able to receive / issue accounting records and contracts.

3. The scope and term of managed data

The term of data management is the prescribed document retention period as per the prevailing regulations, however, the information will be stored for a longer period to prepare sales support statistics.

The data management concerns the data of the representatives (name, phone number, email address) required for the contractual performance, and the data required for accounting records (name, VAT number, address).

4. Addressees of personal data

The employees of the company have access to the recorded personal data to the extent necessary for their activities. In accordance with statutory regulations (online accounting data must be submitted for invoices with VAT over 100,000 HUF) and requests from authorities we may disclose personal data to authorities and third parties conducting accounting and payroll services, however we do not disclose personal data to any other third parties.

5. Your rights

- 5.1. You may ask for information from UTT Europe Ltd. regarding the managed data at any time, considering your personal data, the purpose, the legal basis, the term of data management, the identity of recipients and the purpose of disclosure.

INFORMATION ON THE MANAGEMENT OF PERSONAL DATA WITH REGARDS TO CONTRACTS

- 5.2. You may ask UTT Europe Ltd. at any time to correct or complete your personal data.
- 5.3. You may ask us at any time to hand over the available personal data we manage in electronic form to you or to another data controller.
- 5.4. You may ask UTT Europe Ltd. at any time to restrict the data management. In case of restriction, apart from keeping record, UTT Europe Ltd. shall manage the personal data only with your consent or for the purpose of submitting, enforcing or defending legal claims, or protecting the rights of another individual. You may ask for the restriction of the management of personal data if
- You dispute the correctness of personal data
 - the data management is illegal, you oppose the deletion of personal data
 - UTT Europe Ltd. does not need personal data for data management purposes, however you request the restriction of personal data for submitting, enforcing or defending legal claims, or

UTT Europe Ltd. informs you of the termination of restriction of data management beforehand.

- 5.5. You may ask UTT Europe Ltd. at any time to delete your personal data. Xxx. deletes your personal data if
- UTT Europe Ltd. does not require the personal data for the purpose it was collected or managed for,
 - You object the data management for a reason relating to your situation and there is no legitimate reason with priority for the data management,
 - your personal data was managed unlawfully or
 - UTT Europe Ltd. must delete the personal data for complying with its legal obligations.

UTT Europe Ltd. investigates all requests in relation to data management within a maximum of 30 days of submittal, concludes a decision on their validity and informs the requestor on the decision in writing.
